

# Yorkshire Slalom

Did you know Yorkshire's Slalom clubs work together to run training days and slalom events?

This includes:

- Winter training days at various venues (Oughtibridge, Sowerby Bridge, HPP, Lee Valley)
- Summer training camps (at Grandtully, Fairnilee and sometimes in Europe)
- Dry (off the water) training days
- Washburn and Tees slalom events

Training days are open to all paddlers and coaches with an interest in slalom in the region. Volunteers always welcome to help run events
